## REPORT OF SUPERINTENDENT OF SCHOOLS.

*To the School Board and Citizens of Sumner.*

I herewith submit my first annual report of the school of this town for the municipal school year ending February 1, 1923.

On the whole we have been very fortunate in our teachers this year. At the present time all our teachers are residents of the town. I consider this to be an ideal condition of affairs. Every teacher has the best interests of the children and of the town deeply at heart and is working hard to obtain the best possible results. This is why I think that local teachers, all things being equal, are better than out-of-town teachers. They understand local conditions; they are working under the eyes of acquaintances and friends whose opinions they hold in respect; and they will do their best to gain the good report of those who are associated with them in town and community affairs. I doubt if any other town of this county, or of any other county of this state is able to recruit its teaching force within its own town limits.

Of our teachers three are normal graduates with long and successful teaching experience and work they are doing is of a high type. They have the training and experience and they are up to date in the best that modern pedagogy can offer. The other three teachers are young high school graduates who are doing their first work. With the necessary experience and training they will make first class teachers. Their work as beginners is generally good.

Our pupils have made progress under conditions that are not entirely ideal. In some of the schools there are so many grades that the teacher's time must be devoted almost entirely to hearing her daily recitation work. She has very little time to give to individual supervised study. In the case of young pupils a certain amount of supervised study is almost indispensable; but how can the teacher give the desired amount of individual attention when there are eight grades in her school? This is the case at East Sumner and at the Morrill school conditions are not much different. It is impossible to combine the different grades to any extent as in doing so you must advance some pupils and retard others and this is not good practice.

We are recommending \$700 for repairs for next year. Changes in the toilet arrangement at every school building must be made before Sept. 1, 1924, to meet the requirements of the new state law which goes into effect on that date. It is the opinion of your school committee that this remodeling be done at two of the buildings at least this year. In two instances where this work was done in this union the past year the expense in each case was approximately \$400. In each case however besides the remodeling of the toilets other general repairs were done on the buildings. The Sumner Hill building must have new underpinning; it will not stand much longer on the old foundation. We have an unexpended balance of \$150 in repairs account from last year and with \$700 raised this year we can do the necessary general repairs and remodel the toilets at two of the buildings.

Towards the latter part of the spring term I am going to give standardization tests in Reading and Arithmetic as to measure the work of the pupils in those subjects with standards obtained from other schools. The results will be open to the inspection of teachers, parents and pupils.

The following statistics are taken from the registers and the monthly reports of the teachers.

Registration, spring term, 1922,	110.
Average attendance, spring term, 1922,	89.28
Percentage attendance, spring term, 1922,	81.
Registration, fall term, 1922,	109.
Average attendance, fall term, 1922,	88.39
Percentage attendance, fall term, 1922,	81.

Grouping these statistics by schools we obtain the following table for the fall term, 1922.

School	Average Att.	Registration	Per. Att.
East Sumner	22.40	31	72
Sumner Hill	6.75	7	96
Morrill	20.78	25	83
West Sumner	20.	24	83
Pleasant Pond	13.46	16	84
Redding	5.	6	83

A glance at the above table will show that the percentage attendance in most of the schools is too low. True it is that there are contributing causes for some of this low attendance such as bed colds and in some instances, contagious diseases among the children and also the fact that, as cold weather comes on, some children who have not yet reached the compulsory school age remain away from school; yet making due allowance for all these causes the attendance still remains too low. You have a good system of schools in town with as good teachers as can be found in any rural community. School officials, teachers and parents ought to work closely together in their efforts to bring up this attendance to 90 per cent or more in all the schools.

The financial statement with which the report closes will cover a period of 30 school weeks. If however bills for the school year 1921-'22 were not paid until after the town books for that year were closed such bills will have to be included in this report as they are on my books. In such case this statement will show all bills for the school year 1922-'23 plus such unpaid bills as may not have been paid when the books for 1921-'22 were closed. Such bills, if any are found, will be indicated as such in this report.

1922, Nov. 9, Augusta, H. W. Davenport, age 50 y. 4 m. 18 d.

GEO. A. CHANDLER, Town Clerk.

## WARRANT FOR TOWN MEETING

Sumner, Me., Feb. 10, 1923.

To Warren E. Lothrop, a constable of the town of Sumner, in the county of Oxford.

**Greeting:**

In the name of the State of Maine, you are required to notify and warn the inhabitants of the town of Sumner, qualified by law to vote in town affairs, to assemble at the K. of P. Hall, East Sumner on the fifth day of March A. D. 1923 at 10 o'clock in the forenoon, to act on the following articles, to wit.

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the Town will vote to accept the report of the municipal officers for the year ending Feb. 10th, 1923.

Art. 3. To choose all necessary officers for the ensuing year.

Art. 4. To see if the Town will grant and raise a sum of money for the purpose of breaking snow, and how much.

Art. 5. To see if the Town will grant and raise such sums of money, as may be necessary for the maintenance and support of schools, the poor, repairs of school-houses purchase of school books, tuition of high school pupils, repairs of roads and bridges, and to defray all other town charges for the ensuing year.

Art. 6. To see if the Town will authorize the school committee to continue schools, when an average attendance of eight scholars have not been maintained for the past year.

Art. 7. To see if the Town will vote "yes" or "no" on the question of appropriating and raising money necessary to en-

title the town to State aid as provided in section 20 of chapter 130 of the Public Laws of 1923.

Art. 8. To see if the Town will appropriate and raise the sum of \$533.00 for the improvement of the section of State aid road as outlined in the report of the State Highway Commission in addition to the amount regularly raised for the care of ways, highways and bridges, the above mentioned amount being the maximum amount which the Town is allowed to raise under the provisions of section 19, chapter 130 of the Public Laws of 1913.

Art. 9. To see if the Town will vote to raise money and what sum, for the maintenance of the state aid highways, during the ensuing year within the limits of the Town, under the provisions of Section 18 of Chapter 130, of the Public Laws of 1913.

Art. 10. To see if the Town will authorize the selectmen to hire money if necessary, to defray Town charges during the ensuing year.

Art. 11. To see what sum of money the Town will vote to raise for the salary of the superintendent of schools.

Art. 12. To see what sum of money the Town will vote to raise for cutting bushes.

Art. 13. To see if the Town will vote to elect more than one road commissioner, and if so how many.

Art. 14. To see what sum of money the Town will vote to raise for memorial services.

Art. 15. To see if the Town will accept \$100.00 as a Trust Fund, from the estate of Mrs. Lydia Varney, int. to be expended on her two lots in Elmwood Cemetery.

Art. 15. To see if the Town will vote to fix the old road

leading across from John Morrill's to Norman Bell's and raise money to defray the expenses.

Art. 17. To see if the Town will appoint a committee of three disinterested persons to revalue the real estate in Town and to raise money to pay for same.

Art. 18. To transact any other business that may legally come before said meeting.

The Selectmen will be in session at nine o'clock in the forenoon to revise the voting list at K. of P. Hall, East Sumner.

Given under our hands this 10th day of February A. D. 1923,

A. F. DAVENPORT,  
H. W. BONNEY,  
V. C. KEENE,

Selectmen of Sumner.
